Note: All driving tours begin at the Branson Chamber/CVB Welcome Center (stop for free maps, brochures, etc.)

- **Est. Time:** 70 minutes
- **Highlights:** Downtown Branson, views of Lakes Taneycomo and Bull Shoals
- **Suggested Side-Tours:** "Y" Highway

Leave the Welcome Center and turn right on Highway 248, merging into the left lane. Continue over U.S. 65 and follow the Red Route into the roundabout. Exit the roundabout onto Veterans Boulevard (Business 65) and continue through Downtown Branson.

Passing Main Street and other downtown streets, be sure to note the trees lining the sidewalks as these are some of the most colorful in town.

Continuing on Business 65, cross Lake Taneycomo and turn left onto East Highway 76. Continue up Mt. Branson and stay on 76 roughly 12 miles. Descending the ridge, you'll cross Bull Shoals Lake. Turn left onto Highway 160 toward Forsyth (NOTE: Shadowrock Park is a great spot for a picnic or to walk a pet. Turn right at HWY 160 for the park entrance)

Stay on Hwy. 160 through Forsyth. (NOTE: Y Highway from downtown Forsyth is a suggested side trip that makes a loop by Ozark Beach and returns you to Shadowrock Park)

Continue on HWY 160 north of town along the ridge overlooking Lake Taneycomo.

Turn left onto Hwy. 176 toward Rockaway Beach, descending the ridge and skirting the lake. (NOTE: Rockaway Beach also has great spots for a walk or picnic). Continue through town on 176, climbing back up the ridge. You will intersect Hwy 160 again at Merriam Woods and turn left.

Continue on Hwy 160 until it intersects with U.S. Hwy 65. Turn left to return to Branson.
