

Show and Attraction Schedules Data Feed Request for Quote

The Branson CVB is seeking a third-party provider to supply a data feed for show and attraction schedules on ExploreBranson.com.

Requirements

1. Data provided via an JSON/API feed.
2. Schedules maintained for all shows and attractions within the Tourism Community Enhancement District
3. Data changes/revisions to be updated within one business day

Contract Term

One year

Other Considerations

Once selected, the respondent must be prepared to begin work with the CVB immediately. Evaluation of the proposals will be under the jurisdiction of the Branson Convention & Visitors Bureau. The CVB will evaluate all proposals submitted and engage in interviews and/or discussions with the respondents deemed most qualified.

After the completion of the RFP process, the CVB will select the respondent that best represents itself as capable of meeting the needs of the Branson CVB.

The CVB reserves the right to reject any or all submittals or to waive any minor defects or irregularities in any submittal. The CVB further reserves the right, without prior notice, to supplement, amend or otherwise modify this request for proposals otherwise request additional information from any or all applicants.

Proposal

In no more than two pages, describe professional experience demonstrating your company's ability to meet the requirements stated above, including pricing structure.
